

Dear Parents and Guardians

My time has come. I have decided to pull up stumps and call it a day.

I really feel this is the right thing for me to do and I know that Kambrya College will continue to thrive.

So I will cease to be Principal of Kambrya College at the end of this term. Retirement is not something that I fully comprehend. There are a number of really interesting possibilities I've started to look at to keep me out of trouble in future months.

Joanne Wastle will continue in the role of Acting Principal until the end of the year. A selection process for a new Principal will be conducted during term 4. As I have a number of work commitments outside of school for the rest of term, Jo will be in effect Acting Principal also for the rest of term 3. I leave Kambrya College in very capable hands.

I want to offer a special word of thanks to Nalini Naidu and Joanne Wastle. I have had the privilege of working with these two women as Assistant Principals over the past 8 and a bit years. This simply doesn't happen anymore! Such stability! To David Denny, I offer a special word of praise for the extraordinary contribution he has made over the years as President of the School Council, on top of his own very demanding work commitments. Thanks also to all the young leaders, headed by Keith Perry, Brett Wilson the leading teachers and all staff at the College.

Together, we have steered the ship to a better place.

I am incredibly grateful to all in the school community for making these last eight years the very best of my career. Nothing beats it!

You have been sensational! Thank you so much.

My Best Wishes Always.

Michael Muscat
Principal
